NIPPON MEANING "THE RISING SUN",
IS A SOURCE OF STRENGTH, POWER AND LIFE;
SO IS NIPPONPLY FOR YOUR FURNITURE

ABOUT US

We at NIPPONPLY began our journey in the year 1994 with the idea of providing world-class plywood, laminates and veneers to the consumers. This was a journey not only to make superior quality products but also to achieve excellence, provide value to the customers through the product and most importantly to give unparalleled service.

At its core, NIPPONPLY promotes the idea of **"VALUE FOR MONEY"** by offering excellent quality, durability, strength, and norms in its products line. Amplifying practicality and maximizing the advantages for the consumers by serving them in a contemporary and innovative fashion has been our belief. We also continue with our R&D efforts to add more value-based and innovative products to our portfolio.

The most important component to produce a good product is the raw material. NIPPONPLY gets you the best of the raw material handpicked from its origin. We see to it that the raw material that used is 100% natural and of superior quality.

MISSION & VISION

NIPPONPLY aims at becoming one of the most sought-after plywood companies in India. As we march towards becoming one of the top names in the country, we stand absolutely uncompromising on our core values all through it. Our commitment towards providing best quality, best service, reasonable price, maintaining long-term relationships and being eco-friendly remains just the same, and it grows even stronger from here.
